

COMMUNITYENERGY[®]
BRINGING YOU NEWWIND ENERGY

Welcome LIPA Electric Customers!

Community Energy is proud to participate in the LIPA Green Choice Program. This voluntary program allows customers to support pollution-free forms of electricity, such as wind and small-hydro energy, while still receiving their supply from LIPA.

PRODUCT AND PRICING:

- **100% NewWind Energy[®]**
Adds 2.5 cents/kWh on all usage
- **60% NewWind Energy[®] / 40% Small-hydro**
Adds 1.3 cents/kWh on all usage

For a typical Long Island home that uses 700 kilowatt-hours per month, participating in LIPA's Green Choice Program with Community Energy would add as little as \$9 per month to your electric bill.

No charge to cancel at any time. Please Note: All costs are IN ADDITION to your current electric bill.

Sign up today, it's easy as 1-2-3!
